## I. Other Teaching Assignments, Continued

---

**B. Consultant** Teachers assigned to work with the Department of Public Instruction (DPI) under a statewide consulting basis (e.g., state teacher of the year) during the 1998-99 school year are to be paid three experience steps above their certified salary for the length of their assignment at DPI.

 **NOTE:** Regional consultants, such as Intervention/Assistance team members, do not qualify for this three step increment.

---

---

### C. JROTC Instructors

**1. How is experience determined?** The Licensure Section will award up to 10 years of educator experience for military service.

Credit will be given for teaching years of experience in the public schools on a year-for-year basis.

---

**2. Military contract requires salary equivalent to active duty pay** The military contracts with local education agencies for the Junior ROTC programs require that JROTC instructors be compensated at their military active duty pay level.

The formula for determining the salary is as follows:

(1) Active Duty Pay - Military Retirement = Difference to be compensated

(2) Difference to be compensated =

- 50% paid from
  - LEA local funds, or
  - State funding from identified state-allotted teaching position (based on license and years of experience), and
- 50% paid by the military.

---

*Continued on next page*

## I. Other Teaching Assignments, Continued

---

- 3. Use of state-allotted teaching position for a JROTC instructor** State regulations permit
- identification of a state-allotted teaching position (no additional positions are provided and no vocational education funds can be used), and
  - use of that position to pay a Junior ROTC instructor provided the LEA employs another teaching position using local funds to replace the use of the state-allotted position.
- 

### D. Interim Teachers

- 1. When may an interim teacher be employed?** An interim teacher may be employed when a vacancy in a teaching position occurs by
- separation from employment,
  - leave without pay,
  - workers' compensation,
  - short-term disability, or
  - absence caused by an episode of violence in the school.

 **NOTE:** An interim teacher may not be employed for a permanent employee who is using paid leave. This requires a substitute teacher.

---

- 2. Salary Determination** An interim teacher will be paid at his or her certified salary rating if
- service in the interim position is more than 10 teaching days, and
  - the interim employee is licensed in the area of assignment.
- However, the interim employee may be paid at the substitute rate if he or she requests to be paid at the substitute rate.

An interim teacher must be paid at the substitute rate if

- service in the interim position is 10 teaching days or less, or
- the interim employee is not licensed in the area of assignment.

**EXCEPTION:** Please see "Hiring Retired Teachers" in Section E, I., D., on page 68.

---

- 3. Budget Code** All interim teachers are paid from the budget code from which the regular teacher being replaced was paid.

<b>A. Effective Date for Salary Purposes</b>	The effective date for degrees above the bachelor's level: <ul style="list-style-type: none"><li>● earned on or after April 1 of the school year, will become effective for salary purposes July 1 of the upcoming school year, or</li><li>● when earned prior to April 1 of a school year, will receive a salary adjustment in accordance with the salary schedule for "G" classroom teachers effective with the first day of the pay period which begins in the same month as the license effective date.</li></ul>

### III. Assistance Teams

**A. Salary Basis** Intervention/assistance (ABCs) and school safety assistance team members hired as LEA employees are to be paid at the same monthly rate as they would have earned in the position they held prior to being named to the assistance team. This monthly calculation includes:

- Base salary (from the appropriate salary schedule or salary range)
- Local Supplement, and
- ABC or Safe School Percentage Increase (for principals and assistant principals).

 **NOTE:** Assistance team members hired under a contractual basis are to be paid at a negotiated rate.

**B. Funding Source** Intervention/assistance team members are funded through PRC 37, and school safety assistance team members are funded through PRC 42.

### IV. Salary Adjustments

**Rule:  
Adjustments  
for more than

However, under no circumstances will a retroactive adjustment be granted for a period of more than 12 months prior to July 1 of the current school year.

**B. When LEA Fails to Submit Complete Information** If it is determined that a retroactive salary adjustment is the result of a local education agency failing to submit

- complete, or
- required payroll data,

**the local education agency becomes financially responsible for any salary adjustment due.**

## V. Provisional Licenses

---

**Failing to Meet Requirements**

When an educator fails to meet the educational requirements for maintaining a provisional license, this results in an expired license.

Reinstatement of licensure by removal of provisional areas from the initial license may result in

- ineligibility to serve in the specific capacity, and
  - reduction to a lower pay level.
- 

## VI. ABC Incentive Bonuses

---

**Distribution**

In accordance with State Board of Education policy, incentive awards in schools that achieve higher than expected improvements in student performance may be up to:

- \$375 for each teacher assistant.

 **NOTE:** For the 1998-99 school year, school improvement plans cannot include personnel other than those listed above for ABC incentive bonus awards.

---

## VII. Noncertified Personnel

### A. Non-Exempt Hourly Rate of Pay

Compute the hourly rate of pay for non-exempt employees using the following calculations:

Step	Calculation
1	Monthly Salary $\times$ 12 = Annual Salary
2	Annual Salary $\div$ 52 = Weekly Salary
3	Weekly Salary $\div$ 40 = Hourly Rate

### B. Average Salary/State Allotment Compliance

Prior to the end of the third pay period of the 1998-99 fiscal year, G.S 115C-12(16)(b) requires that local boards of education must place the following state-funded positions:

- office support personnel (object codes 151 and 159)
- teacher assistants (object code 142), and
- custodian personnel (object code 173)

on the state salary schedule at a rate of pay so that the average salary paid for each personnel classification is at least 98% of the state-allotted amounts.

In placing these employees on the salary schedule, local boards will consider each employee's:

- education,
- training, and
- experience (including experience in other local school administrative units).

**NOTE:** Beginning with the 1999-2000 school year, experience shall include service in other school administrative units.

## VIII. Overtime Pay Determinations

### A. Overtime Policy

- 1. Federal Law** As of April 15, 1986, overtime compensation must be provided to employees determined to be non-exempt on the basis of U.S. Department of Labor Regulations, (Code of Federal Regulations, Chapter 29, Part 541) and other U.S. Department of Labor publications.
- 2. Types of overtime compensation** Public schools may provide this compensation in either of two forms:
- **overtime pay** at the rate of one and one-half times the regular rate of pay for all hours in excess of 40 hours in a workweek; or
  - **compensatory time off** at a rate of one and one-half hours for each hour worked in excess of 40 hours in a regular workweek, provided the employee is notified before the work is performed.
- 3. Who decides how to compensate?** The decision to provide either overtime pay or compensatory time off rests with the local board of education. The local board of education may establish policies as to
  - the number of hours allowed to be accumulated up to a maximum of 240 hours, and
  - the time frame in which these hours shall be taken (e.g., compensatory time off must be taken before annual vacation leave is used).
- Rule: Local board policies cannot violate the Fair Labor Standards Act (FLSA).*
- 4. Determining exempt status** The determination of exempt status for employees occupying positions which do not require professional licensure depends on
  - the duties of the position, and
  - the employee's actual work.Generally, employees occupying positions requiring an educator's license and some others occupying positions without licensure requirements are exempt from the FLSA, and are not subject to the overtime provisions.

*Continued on next page*

## VIII. Overtime Pay Determinations, Continued

---

**5. Local responsibility** FLSA exemption determinations must be made at the local level.

---

**6. FLSA Definitions**

**a. Salary**

- An employee's salary includes:

- the amount of compensation to which the employee is entitled during the year from the salary schedule;
- the amount of longevity pay, if any, to which the employee is entitled during the year; and
- the amount of local supplement, if applicable, to which the employee is entitled during the school year.

**b. Workweek**

The workweek is a fixed and regularly recurring period of 168 hours - seven consecutive 24-hour periods.

An employee who is non-exempt from the requirements of FLSA is entitled to overtime at time and one-half for all hours worked over 40 in a workweek.

**c. Employee's Regular Workweek**

For a non-exempt employee, the employee's regular workweek is the period of time (hours) for which the salary is intended to provide compensation.

---

*Continued on next page*

## VIII. Overtime Pay Determinations, Continued

---

- 7. State does not provide overtime funds** The state does **not** provide additional funds to pay overtime.  
If overtime occurs and money is not available in the state allotment from which the employee is paid, it must be paid from local fund sources.
- 
- 8. If regular workweek includes paid leave days** If the regular workweek includes any pay for  
  - holiday,
  - vacation, or
  - sick leave
the employee must work in excess of 40 hours, excluding these days to receive overtime pay.
- 

### B. Calculating Overtime Pay

- 1. Hours in a workweek** All monthly salaries shown in the noncertified section of the state salary schedule are based on a standard workweek of 40 hours.
- EXCEPTION:** The standard workweek for teacher assistants is established by the local board of education.

**2. Calculation when employed in one position**

Step	Calculation
1	monthly salary x 12 = annual salary
2	annual salary ÷ 52 = weekly salary
3	weekly salary ÷ hours in regular workweek = hourly rate
4	Determine the number of hours worked during the workweek in excess of 40
5	hourly rate x hours worked over 40 x 1.5 = overtime pay
6	weekly salary + overtime pay = total gross wages due

*Continued on next page*

## VIII. Overtime Pay Determinations, Continued

---

**Regular  
workweek less  
than 40 hours?**

If an employee's regular workweek is less than 40 hours, the employee is not entitled to overtime pay until hours worked exceed 40.

Hours worked do not include any pay for

- holiday,
  - vacation, or
  - sick leave.
- 

**3. Calculation  
when employed  
in more than  
one position**

When a noncertified person is employed

- in two or more positions having different rates of pay, and
- the total hours worked in the workweek exceeds 40

follow the procedures outlined in the Financial Policy and Procedures Manual for Local Education Agencies.

---

**Prorate  
overtime to  
budget codes for  
each position**

Allocation of overtime pay at time and one-half must be prorated to the overtime budget codes for each position's respective allotment. Follow the procedures outlined in the Financial Policy and Procedures Manual for Local Education Agencies.

---

## IX. Daily Rates of Pay

---

**A. New Policy** Beginning July 1, 1998, the number of days in a month for daily rates of pay calculations will be either:

- The actual number of week days in the month (excludes weekends), or
  - 22 days.
- 

**B. Basis for Determination** The number of days in a month for daily rate of pay calculation is based on the employee's:

- position, and
  - term of service.
- 

**1. Actual number of weekdays**

The following employees have their daily rate of pay based on the number of week days in the month of service:

- Superintendents
  - Associate Superintendents
  - Assistant Superintendents
  - Directors
  - Finance Officers
  - Central Office Support Staff (excluding teachers and instructional support assigned to the central office)
  - Principals
  - Assistant Principals
  - Noncertified employees who are school based, and are employed for a period that is not exactly 10 months (220 days).
- 

**2. 22 days**

The following employees have their daily rate of pay based on 22 days regardless of the number of week days in the month of service:

- All teachers and student support services personnel
  - All teacher assistants
  - Noncertified employees who are school based and employed for a period equal to 10 months (220 days)
  - Employees in split positions where one of the positions is based on a 22 day daily rate.
- 

**EXAMPLE:** An employee serves 50% of the day as a teacher (22 day basis), and 50% of the day as an assistant principal (actual number of week days basis). This employee's daily rate is calculated on 22 days per month.

## Section E

### TEACHERS AND STUDENT SUPPORT SERVICES

#### I. Salary Determinations

---

**A. Salary Basis** Teachers and student support services personnel employed with the Public Schools of North Carolina are assigned a salary according to the class level of their license, experience level, and area of assignment.

---

**1. Certified teacher salary at the highest license level** If a teacher holds at least one area beyond the "A" level (master's, advanced (sixth year), or doctorate) in

- teaching,
- student support services, or
- curriculum instructional specialist/supervision ("SG" license),

then that teacher's salary is certified at his or her highest level of license from these categories.

*Rule: This rule applies even if the teacher is assigned to an area other than the one with the highest class level.*

**EXCEPTIONS:** (1) Certification at the "SG" or "G" level in JROTC and certain workforce development (vocational) areas which are not based on the completion of approved education programs only qualify for assignments directly related to the "SG" or "G" license. Such areas are identified by a 5 as the second character in the licensure program code.

(2) Salary certifications for audiologists and speech language pathologists follows procedures on pages 67 and 68.

<b>2. Nonteaching "G" license allowed</b>	Effective July 1, 1993, the Division of Human Resource Management, Licensure Section, began authorizing the salary payments on the class "G" teacher license for teachers who hold master's degrees in areas other than teacher education if the degrees are directly relevant to the teacher's area of assignment.
<b>Application for "G" supplemental salary</b>	Because assignments change from year to year, requests for placement on the "G" salary scale for teachers who hold a master's degree in a nonteaching education area must be made each school year to the Licensure Section using Form G - Request for Authorization of Graduate Salary.
<b>3. Advanced degree monthly supplement for teachers</b>	A teacher who has earned an advanced or a doctoral license in: <ul style="list-style-type: none"><li>● teaching</li><li>● student support services, or</li><li>● curriculum instructional specialist/supervision ("SG" license)</li></ul> shall be paid an additional monthly supplement as noted on the state salary schedule for "G" classroom teachers.
<b>4. NBPTS certification</b>	Teachers who hold a valid certificate from the National Board for Professional Teaching Standards (NBPTS) are to be paid based on this certification, and the highest license level outlined in items 1 through 3 above.   <b>NOTE:</b> National certification other than NBPTS is not recognized for pay purposes on the NC teacher salary schedule.
<b>Additional information</b>	For additional information regarding the National Board for Professional Teaching Standards, call 1-800-2TEACH or write:  National Board for Professional Teaching Standards 26555 Evergreen Road Suite 400 Southfield, MI 48076 Phone: (248) 351-4444 Fax: (248) 351-4170 <a href="http://www.nbpts.org">http://www.nbpts.org</a>

## I. Salary Definitions, Continued

<b>Salary schedules</b>	NBPTS certified personnel serving as teachers are to be paid from the NBPTS certified salary schedules on pages 70 through 72.
<b>Budget codes</b>	For the 1998-99 school year, LEAs are to use the same budget codes for NBPTS certified teachers as used for non-NBPTS teachers.
<b>Pay indicator</b>	Individuals with salaries certified on the NBPTS salary schedule will have an "N" in the seventh digit of the pay level.  <b>EXAMPLE:</b> Mary Smith is a teacher with NBPTS certification, "G" license, and ten years of experience. Her pay level will be assigned by DPI as G_10__N.
<b>Effective dates</b>	For pay purposes, the effective date is July 1 of the school year that NBPTS certification is earned.  <b>EXAMPLE:</b> Mary Smith is notified in October 1998 that she has become NBPTS certified. She will be paid from the NBPTS salary schedule effective July 1, 1998.

### B. Reassignment to a Workforce Development (Vocational) Position

When a classroom teacher is reassigned to

- a vocational teaching position, and
- has more years of experience (due to creditable work experience) in the workforce development (vocational) area of license than in the academic area,

placement on the salary schedule shall be in accordance with work experience granted in the workforce development (vocational) area.

If the teacher then returns to a regular classroom teaching position, he/she will be paid in accordance with their years of experience in the academic area.
